

Free to Kill (Katie Freeman, #1) FBI Agent Katie Freeman's life has been upended. After being reassigned from Louisiana to middle Tennessee, her new bosses suspect that her reassignment is due to an indiscretion with her previous partner. Now, she and her new partner, Michael Powell, are asked to assist on the bewildering case of a woman who was kidnapped, tortured and left for dead on her own front porch. Before they can make any headway, a second woman disappears. As the number of missing women rises, Katie and Michael must work to figure out how the women are being abducted and where they are being held. Will they be too late to save the latest woman? Complicating matters even further is a cold case left behind by Michael's former partner. Who murdered Henry Stephens twenty-six years ago? What happened to Henry's wife? And why does one of the suspects act like he knows Katie? ...more **Free to Kill (Katie Freeman, #1) PDF ebook**
