

Deadpool vs. Thanos When life in the universe suddenly stops dying, Deadpool suspects his former rival, Thanos the Titan. As the two lovers of Death (in both its physical and theoretical manifestations) battle to save the universe from immortality, they must confront their own reasons for living and their passions for dying. When life in the universe suddenly stops dying, Deadpool suspects his former rival, Thanos the Titan. As the two lovers of Death (in both its physical and theoretical manifestations) battle to save the universe from immortality, they must confront their own reasons for living and their passions for dying.
